

GEOPOLITICS

OF THE NEW MIDDLE EAST

ABOUT THE AUTHOR

Following an extensive career heading major private and public companies and organizations, Giancarlo Elia Valori committed himself to the academic research of the global geopolitical realm.

While serving as resident chairman of International World Group and holding a partner position at COFCO International, Giancarlo Elia Valori serves as a full Professor at the Yeshiva

University of New York (USA), the Hebrew University of Jerusalem (Israel) and the Peking University of Beijing (China).

Giancarlo Elia Valori holds a degree in economics and business administration, as well as a degree in political science. After attending many specialization courses in Italy and abroad, he became professor of law, particularly tax law, teaching at major universities.

A renowned advisor and consultant in the financial world, Giancarlo Elia Valori has worked closely with the Italian Presidency of the Council of Ministers, as well as with “*La Compagnie Financière Conseil*” of Edmond Rothschild in Paris and the International Monetary Fund in Washington.

Giancarlo Elia Valori is particularly appreciated for his books and essays on geopolitics and the issues of Zionism and terrorism, as well as for his articles published on major international blogs in Italy, Great Britain and Israel. His latest books include the following titles: *Antisemitismo, Olocausto, Negazione; Mediterraneo fra pace e terrorismo; Il futuro è già qui; La Via della Cina; Geopolitica dell'acqua; Finis Mundi; Geopolitica del cibo; La vocazione dell'umanità; Geopolitica della salute; Raimondo di Sangro. Il Principe di San Severo e la magia dell'Illuminismo; and Intelligence e geopolitica – Riflessioni in libertà.*
